The image shows a screenshot of an email from Google. At the top left is the Google logo, and at the top right is a red circular icon with a white shield symbol. The main content area has a red header bar with the text "Someone has your password". Below this, the message body starts with "Hi John" and informs him that someone just used his password to sign in to his Google Account, providing the email address john.podesta@gmail.com. It then details the attempt: "Saturday, 19 March, 8:34:30 UTC", "IP Address: 134.249.139.239", and "Location: Ukraine". The message concludes by stating that Google stopped the sign-in attempt and advises changing the password immediately. A large blue button at the bottom contains the text "CHANGE PASSWORD".

Google

Someone has your password

Hi John

Someone just used your password to try to sign in to your Google Account john.podesta@gmail.com.

Details:

Saturday, 19 March, 8:34:30 UTC

IP Address: 134.249.139.239

Location: Ukraine

Google stopped this sign-in attempt. You should change your password immediately.
